

Christmas Unwrapped

A three-part course with video and discussion

Exploring the original history of Jesus' birth

Our modern Christmas celebrations can obscure the significance of the original event. Some even doubt its rootedness in real history. With this three-part series, filmed on location in the Holy Land, you will discover the facts, see the places and be given many new insights to discuss with each other.

Guided by **Dr Peter Walker**—a Bible teacher, academic theologian and expert on the history of the Holy Land—we will travel over three weeks from Nazareth to Bethlehem. We will see the likely site of Jesus' childhood home, the shepherds' fields below Bethlehem (known by the young David 1000 years earlier), and finally arrive at Manger Square to discover the traditional site of Jesus' birth.

This will be run on **Tuesday evenings** in several venues around Sandhurst, starting on **Tuesday 29th November**. Also **online via Zoom on Monday evenings, starting 28th November at 8pm**. The course will also be run at another venue starting on **Tuesday 6th December**.
